PROFESSIONAL SUMMARY

Aspiring MERN Stack Developer with hands-on experience in building full-stack web applications. Proficient in developing responsive front-end interfaces with React and creating robust, scalable back-end services with Node.js, Express.js, and MongoDB. Seeking to leverage a strong foundation in JavaScript and a passion for problem-solving to contribute to a collaborative development team and build high-quality software solutions.

SKILLS

- **Frontend:** React.js, JavaScript (ES6+), HTML5, CSS3, Redux, Context API, Axios, Responsive Design
 - **Backend:** Node.js, Express.js
 - **Database:** MongoDB, Mongoose
 - **Tools & Technologies:** Git, GitHub, RESTful APIs, JSON Web Tokens (JWT), Heroku, Netlify
-

PROJECTS

Full-Stack E-commerce Website

- Engineered a full-stack e-commerce platform featuring product browsing, a detailed product view, shopping cart functionality, and secure user authentication.
- Developed the front-end with React, managing global application state for the shopping cart and user sessions using the Context API.
- Built a RESTful API with Node.js and Express.js to handle all business logic, including product data retrieval, user management, and order processing.
- Utilized MongoDB with Mongoose to create and manage schemas for users, products, and orders.
- Implemented secure user registration and login functionality using JSON Web Tokens (JWT) for authentication and authorization.

Full-Stack Restaurant Menu Ordering App

- Developed a dynamic single-page application (SPA) to allow users to browse a restaurant menu, filter items, and place orders.
- Created an interactive and responsive user interface using React functional components and hooks (useState, useEffect) for efficient state management.
- Designed and implemented a server-side application using Node.js and Express.js to create API endpoints for managing menu items and processing incoming orders.
- Leveraged MongoDB as the database to store and serve menu data to the client application, enabling easy updates and scalability.

PROFESSIONAL EXPERIENCE

V Care Hair & Skin Clinic - Treatment Coordinator
Nellore, India | Feb 2024 – Present

- Coordinated client appointments and managed treatment schedules, enhancing clinic efficiency and patient satisfaction.
- Oversaw technician workflow and monitored treatment procedures to ensure high standards of service quality.
- Demonstrated strong time management and problem-solving skills in a fast-paced environment, resolving scheduling conflicts effectively.
